This addendum modifies the Validus TCC-SOP (current version) for transactions in schemes of Tungabhadra Mutual Fund. Where this addendum and the SOP differ, this addendum prevails for TMF folios. All other provisions of the SOP apply unchanged.

A1 Referral of early redemptions. In addition to SOP 8.3, any redemption of Rs 5,00,000 or more from a TMF folio within 30 calendar days of a purchase (fresh or additional, any scheme) in the same folio is held and referred to TMF Compliance (outcome HOLD_AND_REFER, reason REFERRAL_TRIGGER). SIP instalments are not counted as purchases for this clause.

A2 Change of bank. For TMF folios, proof of the existing bank account is mandatory with every COB request; in-person verification is not accepted in its place.

A3 Contacts. Referrals under A1 are sent to compliance.referrals@tungabhadra-amc.example with a copy to the Operations Manager, Validus.
